Dear Chef Myles:

On behalf of the clients and staff of TurnAround, Inc., thank you for participating as a food vendor in this year's event at the M & T Bank Stadium on March 30, 2006. The food was outstanding, and we have heard nothing but praise for the quality and variety of dishes presented. Steppin' Out to Vegas was the Best Bet in Town and raised more than \$160,000 to benefit victims of domestic violence and sexual assault. This is our one major event of the year that raises unrestricted funds that are critical to our ability to provide quality services at affordable prices.

As you may know, TurnAround continues to be the only agency in the Baltimore metropolitan area serving victims of both sexual assault and domestic violence. Services include counseling for women, children and men, emergency shelter and legal services, community education and outreach, and an emergency room accompaniment program for rape victims.

Enclosed is a certificate of appreciation that we hope you will display in your restaurant or catering business. We hope that you had fun and would consider participating next year at the M & T Bank Stadium tentatively scheduled for March 29, 2007.

Thank you again for your participation. With support from people in the community like you, we believe it will one day be possible to end the unfortunate cycle of violence.

Sincerely,

Rosalyn Branson
Executive Director
