Dear Marcus:

We would like to thank you for your interest and participation in Alizé's Culinary Mentorship Program. The makers of Alizé received over 250 recipes from around the country from aspiring chefs who know the benefits of cooking with Alizé and Alizé Red Passion.

These were then forwarded to our panel of leading chefs and wine professionals who went through all of the Alizé entries and, after much deliberation, chose your recipe as one of the top twelve dishes to make it into the finals.

The final three have been chosen and unfortunately, your imaginative recipe for Caribbean "Boullabaisse" was not among them. We want to thank you for your wonderful recipe and hope that you will continue to create dishes with the cognac, passion fruit and cranberry beverage.

We wish you all the luck with your future endeavors and your chosen career in the culinary arts.

Respectfully,

A handwritten signature in blue ink that reads "Lorraine Hale".
